**No Personal Tracking:** Apart from the anonymized data collected by Google Analytics for the purpose of improving our services, we do not use cookies to personally track our users or collect any personal data.

**Opt-Out Options:** If you prefer not to have your data collected by Google Analytics, you have the option to opt-out by adjusting your browser's settings to block cookies or by using Google's Analytics opt-out browser add-on.

## 3. Your Privacy

Your privacy remains a paramount concern for us. We ensure that the use of Google Analytics is in compliance with our privacy policy, focusing on the anonymized collection of data to better understand and serve our users.
